

DISCOGRAPHY

PIXIES/BREEDERS/ FRANK BLACK

This one's mainly down to reader A Philpott of Hindhead, Surrey who wrote: "After the demise of that excellent group the Pixies, could we have a discography please?"

But as we are currently celebrating the arrival of that promising newcomer Frank Black, such a tally could prove doubly astute. At least, that's the theory. Additionally, we've chucked in a listing for Kim Deal's Breeders. In terms of value for money, this page could easily compete with Tesco's!
