

● **THROWING MUSES**, whose warmly-received new 4AD LP 'Red Heaven' shot to the top of the indie charts, forge ahead with their British tour this week. Now slimmed to the three-piece line-up of Kristen Hersh, David Narcizo and Bernard Georges, they play London's Town & Country Club (Wednesday), Cambridge (Thursday), Sheffield (Saturday), Nottingham (Sunday) and Norwich (Monday). Support on all this week's dates comes from Pond, with Unrest joining the bill for the London show.
